

The longest running basketball camp in the area will once again offer a program filled with FUN and LEARNING. The hours are logical and the counselors are paid employees with lots of basketball experience who care!! Coach Mulligan, Head Varsity Coach at the public school program with more wins than any other during his tenure has been running this camp for the better part of 30 years. We look forward to seeing your son or daughter being part of one or two weeks of this positive experience with other motivated kids. Get them away from computer games and IPhones and give them a GREAT summer memory.
