

COUGAR BASKETBALL

Capistrano Valley High School

Dear CVHS Boys Basketball Family, Friends & Supporters:

Our state's budget crisis has slashed public education funding and high school athletics has been one of the hardest hit. This year, we will be receiving very little from the district for our Capo Valley High School Boys Basketball program. We need your help! In order to maintain a quality basketball program, we need to rely completely on the kindness of family, friends and local businesses to help support our program and our boys.

Our players work hard on and off the court. They are encouraged to maintain good grades, participate in community service and help support our program through fundraising. Our goal is to encourage and mentor our players so they can "live the dream" of playing high school basketball and give them the opportunity to succeed and excel as a representative of their team, their school and their community.

It is our hope that with your generous donation, we can reach our goals and continue as a quality high school basketball program. All contributions are tax deductible and will go directly to our program. Any and all donations are greatly appreciated and your name will be listed as a basketball booster in our program and on our website. Black, White & Gold Sponsors will receive ad spaces in our program and on our website (please see details below). We thank you for your support!

Sincerely,

CVHS Boys Basketball Program
